PSE&G

Attn.: Customer Service

80 Park Plaza

Newark, NJ 07102

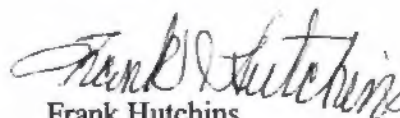

Dear Sir or Madam:

Please be advised that Ms. Frances Houston of 250 Georgia King Village, Apt. 7B, Newark, New Jersey, has received a notice from the management of her building that PSE&G will be shutting off the electricity to work on the lines. The shut off is proposed for June 26th from 7:00 a.m. to 9:00 p.m. Ms. Houston is on oxygen and has other medical equipment to assist her in breathing. What alternative is available to her to insure that her health is not impaired?

I would certainly appreciate if you would respond to this office and to Ms. Houston. I am sure there are others who live in this building with some of the same health concerns or other health related problems just as serious.

I can be reached via telephone at (973) 643-7711, via facsimile at (973) 643-0099 or emailed at nwkhudtc2@verizon.net. I thank you for your cooperation in this extremely urgent matter.

Sincerely,

Frank Hutchins

Director

C: Ms. Houston
